

## *Popera Classics Collection*

Experience the excitement, passion and romance of Popera, where renowned singers share their vocal talents, singing gorgeous melodies from the world of Opera, Operetta, Musical Theatre and modern crossover hits.

**Popera Classics Collection** is produced to create an ideal way to introduce listeners to opera and to the beauty of vocal music, giving popular classical music a modern edge and pop music a classical approach in a fresh, exciting and contemporary production.

Popera, the crossover of classical music with popular melodies, has been growing in excess of 20 percent year on year. There is a whole new audience, artists such as Russell Watson, Amici, Josh Groban, Andrea Bocelli and Il Divo are among those who have paved the way in a flourishing genre of crossover music that now has its own appellation – Popera!”

It all began when *The Three Tenors* played on the trio’s shared passion for football making their first performance at an arena for soccer’s World Cup. The phenomenon that followed and those who have since followed have embraced the notion of Popera. **Popera Classics Collection** continues the tradition with our Duet and Trio Series performing to standing ovations at venues around Australia and our Concert Series performing to record crowds in excess of 12,000\*

Quite simply, the concept presents opportunities to build a crossover audience of people who might never feel comfortable in the supposedly starchy atmosphere of an Opera House, but want to hum along to Nessun Dorma.

**Popera Classics Collection** presents a series for any event, occasion and budget. Whether it is our **Duet or Trio Series** for a private function, corporate event or an intimate Dinner/Cabaret style Show - or our spectacular **Concert Series** for the grandeur and opulence of a major event or concert.

We present customised performances for any occasion; for the corporate, conference and incentive markets, hotels and resorts, outdoor concerts and major events.

**Popera Classics Collection** also offers fully produced concert productions including; *Popera Grande - Classical & Chic, A Night on Broadway, Movies Musicals & Classical Moments* and *Masquerade Ball*.

"I cannot tell you how fantastic Popera on Broadbeach was. We had a group of over 30 family members and each and every one of us loved it. The songs, the themes and the entire event were so memorable. I have to admit at first I didn't quite know what to expect as I've never really been into Opera singing, however after seeing the concert I was so very pleasantly surprised. Thank you so much for all your hard work. The singers were incredible and so very, very talented".

**Popera on Broadbeach – Movies, Musicals & Classical Moments**

"The night was, without doubt, a huge success! We had more than 12,000 people here. This is by far the biggest we have ever had and everyone is just so happy. This is the first time we have used D&G Entertainment's *Popera Classics Collection* and we will definitely be using them again".
